SUMMER READING 2019

Each student in grades 6 to 8 is required to read one selection from the Community of Readers list for his or her grade. Current students signed up for books in their English classes; incoming students should have signed up when they took their placement tests. If you have not signed up, please go to the school's web site (www.d-e.org) and click on the Community of Readers link for the grade you will be in. If you have forgotten what book you signed up for, or if you want to change your book, please contact the school by email (dalyf@d-e.org) to let us know. Be sure to include your name, the grade you will be in next year, and the title of your book choice.

In addition to your Community of Readers choice, please also read the book or books listed below for your grade.
