Dwight-Englewood School’s Annual Trip to Frost Valley

JUNE 2019

Dear Parents,

Dwight-Englewood School’s annual trip to Frost Valley for 5th grade students will be taking place from Thursday, September 19 to Friday, September 20. When students return in the fall, we will review the activities, sleeping arrangements, dining hall information, and behavioral expectations. Enclosed are two health forms that need to be completed over the summer. They should be returned to your child’s homeroom teacher on the first day of school.

1. Student Health Information Form

Please complete the top portion with your child’s health information. The bottom portion consists of three separate consent waivers that must be signed in all three places for your child to come on the trip.

2. Over-The-Counter Medications Physicians Orders

For your child to receive any medication, including over-the-counter, prescription or self-carry medication, this form must be completed and signed by you and your child’s physician.

There is a list of over-the-counter medications on this form that are available in the Frost Valley Health Center. You do not need to provide them, however your child’s physician must sign this form in order for your child to receive them.

Prescription or self-carry medication must be sent in original pharmacy packaging, then placed in a clear plastic baggie and labeled with your child’s name. All medication should be given to Jessica Pomeroy on the day of the trip. The nurse at Frost Valley will discreetly administer medications.

Note: NY State mandates that sun block be a self-carry medication. If your child is going to bring sun block, they must administer it themselves and have their physician’s permission on this form.

Also enclosed is a packing list so that you can begin to prepare for the trip. All students are responsible for carrying and managing their own bags and personal belongings. If you have any questions, please feel free to contact us by email listed below or call Maureen Krane at ext. 3162 or Susan Abramson at ext. 3222. We are looking forward to an exciting and educational trip!

Sincerely,

Kate Augustus  augusk@d-e.org
