Half-Steps Music Lesson Program

A new and exciting group lesson program for 3rd and 4th grade students.

How it works:

- Students sign up for their choice of trumpet, saxophone, clarinet or guitar
- They meet with several other students in a group lesson
- The lesson meets one day a week during their recess block (12:15-12:45)
- Students will use a unified curriculum that will give them common language and a smooth transition to the ensemble
- Classes will need a minimum of two students in order to run

The benefits:

- Students get to study an instrument with their friends
- Parents can try an instrument at a lower cost
- Qualifies them to be in Lower School Band second semester
- Support will be offered in attaining purchase or rental of an instrument

Cost

- $1175 for 22/half-hour lessons
- Cost to rent or buy your instrument of choice
